CASE MANAGEMENT
DEADLINES AND
STRIKING JURY TRIAL

This matter comes before the Court on “Plaintiff’s Motion to Modify Scheduling Order.” Dkt. # 39. Plaintiff requests that the remaining motions in limine and trial-related dates be continued for two reasons: (1) its pending motion for partial summary judgment may narrow or simplify the issues in the case and (2) its lead counsel will be on parental leave following the birth of his first child in mid-August. Plaintiff also requests that any new case management order entered in this case reflect that the matter will be tried to the Court rather than to a jury. Defendant has not opposed or otherwise responded to the motion.

The motion is GRANTED. All remaining case management deadlines are hereby STRICKEN. The parties shall, within fourteen days of the entry of an order on the pending

//
